

R. Venkatesh

Managing Director

R. Venkatesh comes with a rich experience of over 35 years in Cargo Logistics industry with a special focus on international trade. Over the years, he has mastered the art of dealing with the issues of liability regimes. His expertise on Indian and International laws brought him a unique position in the Indian Logistics Industry.

Besides, Mr. Venkatesh's forte has been in the field of IT with innovative approach and long term vision for the Logistics Industry. Infact, the application and use of IT and web based end to end cargo tracking system is his brain child. Mr. Venkatesh always excels at spotting potential areas and converting them into big business opportunities. His initiatives to go global by launching the group into international logistics have been quite successful.

Mr. Venkatesh is known for his expertise in UCP, Maritime Liability and Maritime Industry.

With his vast global knowledge in Logistics, he is rightly represented on the following bodies:

- Vice President of Western India Shippers' Association (WISA)
- Convener – South Asia of Asian Shippers' Council representing the Indian Sub-Continent
- Executive Committee Member of Asian Shippers' Council
- Member Logistics Sub-Committee of Confederation of Indian Industries (CII)
